Illinois Municipal Retirement Fund – Standard Option

Delta Dental PPO Plan Highlights Group #10231

Introduction
Illinois Municipal Retirement Fund dental enrollees have access to two extensive networks, Delta Dental PPO and Delta Dental Premier managed fee-for-service. When you call your dentist to make an appointment, ask if he/she participates in either Delta Dental PPO or Premier. Your out-of-pocket costs will vary depending on whether he/she participates in Delta Dental PPO, Premier or neither (i.e., "out-of-network"). **You will maximize your benefits by receiving care from a Delta Dental PPO network dentist**. There are 165,200 Delta Dental PPO and 247,600 Delta Dental Premier dentist locations nationwide, including 5,650 and 9,340, respectively, in Illinois.

Choosing Your Dentist
You may go to any in- or out-of-network general or specialty dentist at the time of treatment. However, it is to your advantage to choose a Delta Dental PPO or Premier network dentist for the following reasons:

1) Payment to Delta Dental PPO dentists is based on pre-set, reduced fees; payment to Premier dentists is based on Delta Dental's maximum plan allowance (MPA). In both networks, you only have to pay your deductible and coinsurance – *you are not responsible for charges exceeding the reduced PPO fee if you receive treatment from a Delta Dental PPO dentist or the MPA if you receive treatment from a Premier dentist.**

For example, if you need a crown, assume the Delta Dental PPO fee allowance is $600 and the MPA is $900. If your plan covers crowns at 50% and your dentist normally charges $1000, your out-of-pocket cost (excluding deductible) would be:

Delta Dental PPO Dentist – $300
(50% of the $600 PPO fee allowance)

Delta Dental Premier Dentist – $600
(50% of the $600 PPO fee allowance plus $300 difference between PPO fee allowance and MPA)

Out-of-Network Dentist – $700
(50% of the $600 PPO fee allowance plus $400 difference between PPO fee allowance and the dentist's billed charge)

2) Because we reimburse Delta Dental PPO and Premier dentists directly, they agree to charge you no more than your deductible and coinsurance; in other words, *you do not have to pay the whole bill up-front and wait for reimbursement.*

3) Out-of-network dentists do not accept Delta Dental's reduced PPO fee and you will have to pay the difference between Delta's reduced PPO fee and the dentist's billed charge. At the dentist's discretion, *you may also have to pay the entire bill in advance.*

4) Claim forms will be completed and submitted at no charge. Out-of-network dentists may require you to complete forms yourself or to pay a service charge.

**If your Delta Dental PPO or Premier dentist inadvertently charges you for amounts payable by Delta Dental, please call our customer service department at 800-323-1743.*

Non-Covered Services
There are some limitations on the expenses for which the Illinois Municipal Retirement Fund Dental Plan pays. For further information, refer to your certificate of coverage or call our customer service department.
