More from your health plan

Your PPO plan is a Medicare Advantage plan, also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

You'll enjoy:

- **You pay a standard copay or coinsurance, or $0 in some cases,** to see a provider in or out-of-network
- **Access to a large network** of doctors, hospitals, and pharmacies equipped with tools to support your health
- **Prescription drug coverage** — use network pharmacies for the lowest drug cost
- **Worldwide coverage** for emergencies and urgent care

How the plan works:

- Select a primary care provider (PCP) to oversee and help manage your care. The plan doesn't require you to have a PCP, but using a PCP is very beneficial for your long-term health and well-being.
- Get care from providers in or out-of-network as long as they accept Medicare and the plan.
- You don't need a referral to see a specialist or other provider.
- This plan has separate maximum annual out-of-pocket amounts for medical and prescription drugs.
- Review your Summary of Benefits to see what's covered.

More ways to learn about your plan

It's important that you understand your plan and what benefits are covered. You can find the Drug List, Provider and Pharmacy directories and more at **retiree.uhc.com**.

Review the online Drug List (Formulary) to see what prescription drugs are covered
And what drug tier they are in. Generally, the lower the drug tier, the less you'll pay.

Review the online Provider Directory to see if your providers are in the network
It's okay if they're not. This plan allows you to see out-of-network providers as long as they accept Medicare and the plan. But keep in mind, your costs may be higher.

Review the online Pharmacy Directory to see what pharmacies are in our network
If your pharmacy is not in the network, you will need to select a new network pharmacy to pay your plan's lowest cost for prescription drugs.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services and prescription drugs
You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

You're eligible to enroll in this plan if you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

Prescription drugs	
Deductible	$700 You pay the full cost for your drugs until you reach the deductible amount. Then you move to the Initial Coverage stage.
Initial coverage	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and

Prescription drugs		
	others on your behalf, have paid a combined total of $2,400, which includes the amount you paid towards your deductible, you move to the Catastrophic Coverage stage.

Catastrophic coverage	Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year. If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.	

˜ You will pay a maximum of $35 for a 1-month supply of each Part D insulin product covered by our plan even if you haven't paid your Part D deductible. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at retiree.uhc.com or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

You may qualify for Extra Help from Medicare

Extra Help is a program for people with limited incomes who need help paying Part D premiums, deductibles and copays. There's no penalty for applying, and you can re-apply every year. To see if you qualify for Extra Help, call:

- The Social Security Administration at 1-800-772-1213, TTY 1-800-325-0778
